**Bryan Bowen, Project Manager
Waterfront Secretariat
City Planning Division, City of Toronto**

"The Bathurst Quay Neighbourhood Revitalization Plan: Where We are At"

ABOUT WATERFRONT FOR ALL

Waterfront renewal has come a long way, but it's far from complete. Progress on the waterfront needs to be celebrated and supported by citizens, otherwise it may lose momentum or die altogether. From Etobicoke to Scarborough, we invite citizens and groups from across Toronto to work together to keep the revitalization and beautification of our waterfront moving forward.
